Pump for a Cure turns their efforts to Climb for a Cure

In 2016 the Krepp-Methot family hosted the virtual workout fundraiser "Pump for a Cure" which raised over \$20,000 for HDSA in honor of their Grandma Sandy. Their virtual workout fundraiser is a ground breaking idea in the world of raising funds through social media.

This year the Krepp-Methot family continues their fight for Grandma Sandy and all those affected by HD as they turn their sights to Mt. Kilimanjaro and "Climb for a Cure" Follow them throughout 2017 on Facebook as they train, travel, and ultimately climb Mt. Kilimanjaro while raising funds for HDSA.
